

What's new in brightwheel

Brightwheel is always evolving to better serve you

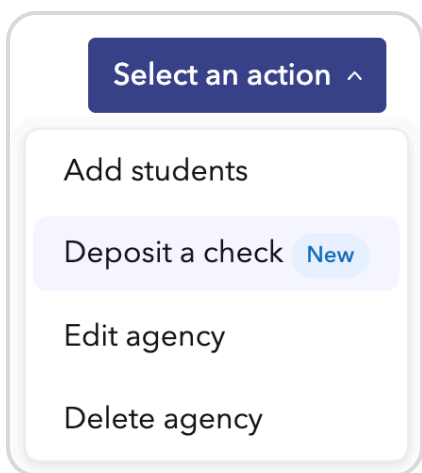

We're committed to making life easier for administrators, staff, and families. That's why we regularly release updates designed to streamline workflows and help you get more out of brightwheel. In this PDF, you'll find the latest tools and improvements as of March 2026!

Deposit Agency Checks without leaving brightwheel

Say goodbye to manual agency check reconciliation.

Scan, attribute, and reconcile subsidy checks directly in brightwheel. Payments automatically update subsidy balances and reporting—no extra steps required.

Desktop notifications

Stay on top of everything in real time.

Get critical alerts right on your desktop. Track failed payments, submitted forms, packets, and more without constantly checking your account or relying on email notifications.

[See it in your account](#)

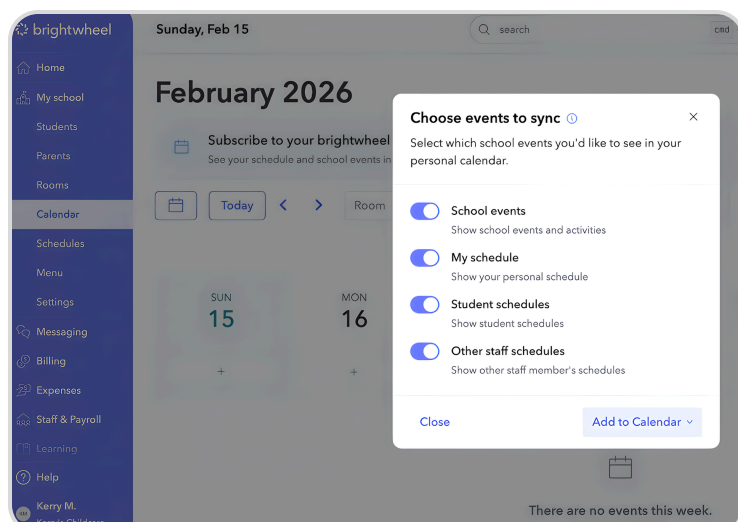

Integrate your personal calendar with brightwheel

Keep everyone aligned—without the back-and-forth.

Admins, staff, and families can add brightwheel calendar events directly into their personal calendars, so schedules stay up to date automatically.

Share Menus with families & staff

No printing. No PDFs. No extra work.

Assign a menu template to a room, and it's automatically available for families and staff to view in the brightwheel app.
