

What's new in brightwheel

Brightwheel is always evolving to better serve you

We're committed to making life easier for administrators, staff, and families. That's why we regularly release new updates designed to enhance your experience and help you get the most out of the brightwheel platform.

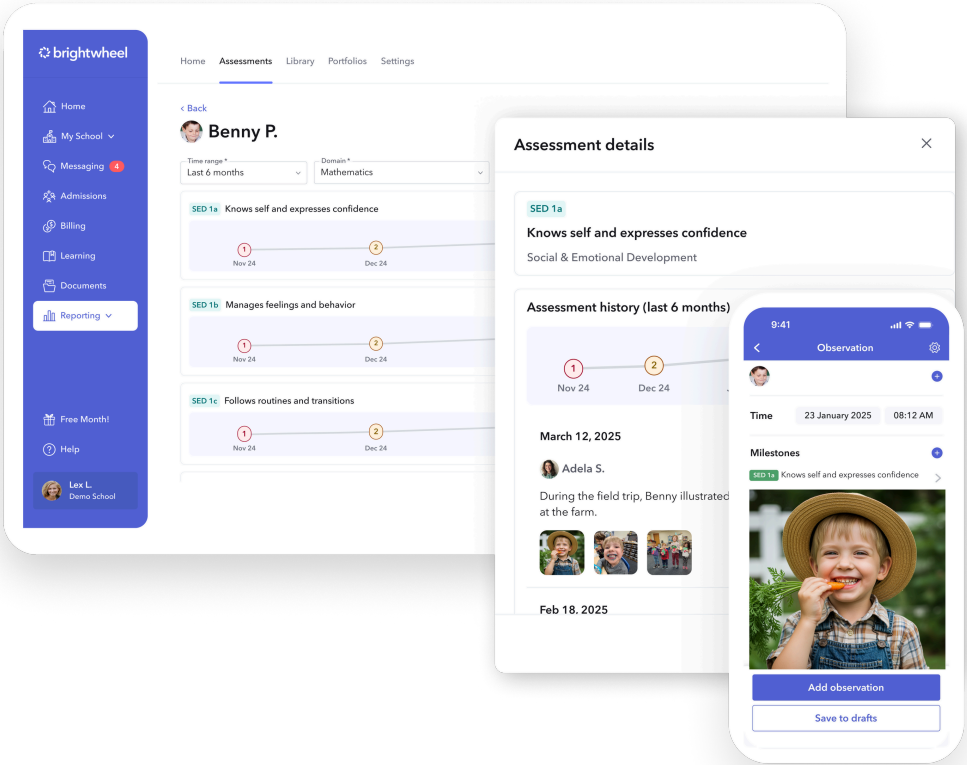

In this PDF, you'll find the latest tools and improvements as of December 2025!

Experience Assessments

Track progress easily — with clearer insights for families

You can now track and share each child's developmental progress in brightwheel using research-based assessments that turn observations into clear, actionable insights.
