

What's new in brightwheel

Brightwheel is always evolving to better serve you

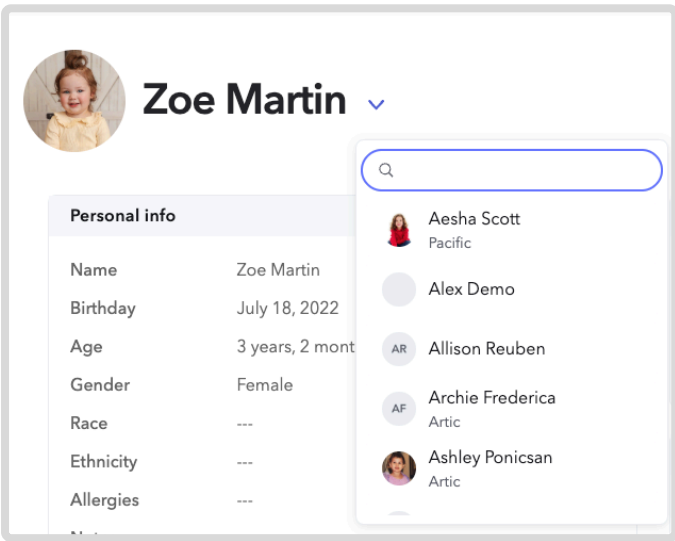

We're committed to making life easier for administrators, staff, and families. That's why we regularly release new updates designed to enhance your experience and help you get the most out of the brightwheel platform.

In this PDF, you'll find the latest tools and improvements as of September 2025!

Search for student profiles while viewing a student profile

No more back-and-forth! Now, when you're viewing a student profile, you can instantly search for another student without leaving the page. Quick, seamless, and efficient.

It's now easier for parents to view Paperwork in the app

Parent contacts can access Paperwork for all children directly in the left-hand app menu. All paperwork is right there for easy access. They will still be able to view Paperwork within the child's profile as well.

New parent notifications for Paperwork

Parents will now receive real-time push notifications for new forms, packet requests, and reminders. That means fewer delays, less back-and-forth, and smoother communication.

Direct share Sign-ups with families

In addition to sharing Sign-ups via link with families, you can now share directly in brightwheel to desired student contacts and to entire rooms.

Professional Development is now in brightwheel!

Admin and staff can now access certified training courses in 35+ states, in brightwheel. Hours are automatically tracked and, in many states, posted straight to your PD registry. Stay compliant, grow your team's skills, and make training effortless.
